International Airfare - Canada to/from Peru	The cost of our private journey is quoted without international air between Ottawa and Peru. We do this because some guests may wish to use points to obtain their airline ticket or they may wish to use a different airline or a different routing from the rest of the group. TrailFinders' staff are experts in international air selection and would be pleased to offer you advice and assistance with your international travel arrangements.	Airfares change frequently. Always check with us for latest pricing. Currently approximately C\$1100 including taxes.
Travel Insurance	All guests on any of our Private Journeys will be required to show proof of "out-of-Canada" medical coverage. As well, we continue to highly recommend that each guest have adequate Trip Cancellation and Interruption insurance . Guests who choose not to purchase this coverage will be required to sign a waiver to that effect at the time of booking. In line with insurance company rules, all trip cancellation and interruption insurance premiums are payable <u>at time of deposit and booking</u> . Medical insurance premiums (if required) may be paid at the same time (in the case of a packaged insurance policy) or anytime prior to departure if done as a separate policy. Premiums vary with the age of the insured and the duration of the trip. We can provide you with insurance recommendations and premiums to suit your individual situation.	Cost of insurance premiums vary with age of passenger and amount of coverage. Call us for details.
Tropical Medicine Considerations	We highly recommend that all guests on our journeys visit a reputable travel medicine clinic at least two months before departure. We will be pleased to give you advice about the elements of your itinerary which might influence the choice of required medications.	C\$75+

Water, drinks, laundry, internet e-mail, local transportation	<p>Most hotels provide a bottle of drinking water in the room, but we usually find that we buy another large bottle of water every few days as well.</p> <p>Other drinks – Beer, fruit juice and soft drinks are about the same price as in Canada depending on where you are drinking them. Wine can be a bit cheaper in Peru.</p> <p>Laundry - We travel light and so we will expect to need laundry done every few days. Laundry can be done outside the hotels generally for about US\$1.50 per Kilo. Hotels will charge considerably more.</p> <p>Internet e-mail – relatively cheap on the street. A bit more in the hotels.</p>	<p>US\$ 20</p> <p>Varies according to personal taste</p> <p>Varies according to personal needs</p> <p>US\$ 10</p>
Personal Tips	<p>While TrailFinders handles the tips for the group (as described above) there may be times when you might be expected to tip anyone who performs personal services for you. This includes bellhops who bring your personal luggage to your room, restaurant waiters and so on. A modest contribution from you means a great deal to the recipient.</p>	US\$ 25
Meals	<p>All breakfasts, 8 dinners and 3 lunches are already included in the itinerary and on some days if you eat a large breakfast, you may not need lunch. For the remaining meals we suggest about...</p>	US\$ 150
